Through the generous support of 21,461 Rappahannock Electric Cooperative members who participate in **The Power of Change**, along with other financial support, almost \$90,000 was raised in 2018. These funds, which are managed by The Community Awareness of Rappahannock Electric Charity, Inc. (C.A.R.E. Charity, Inc.), helped 17 non-profit organizations in 2018.

As more REC members volunteer to have their electric bill rounded up to the next whole dollar, The Power of Change will be able to assist more non-profits. The typical yearly contribution is approximately \$6 per member and is tax deductible.

Thank you for your support. If you are not a monthly contributor to The Power of Change, please consider enrolling online at [www.thepowerofchange.org](http://www.thepowerofchange.org), through your MyREC SmartHub account or by calling our office.
