

SOMETIMES
Small Change
MAKES THE
Biggest Difference.

Through Operation Round Up® (ORU) your small change can make a big difference to those in need in your community. By allowing REC to “round up” your monthly electric bill to the next highest dollar, you are supporting individuals, school programs, philanthropic groups, non-profit organizations, rescue squads, volunteer fire departments and other deserving causes that benefit members within REC’s 16 county service area. For example, a bill amount of \$76.48 would be rounded up by 52 cents for a total due of \$77.00. The additional 52 cents would be your Operation Round Up donation for that month. Simply fill out the form on the back and send it in. Your small change combined with that of other members, can make a big difference.
