

## Senior Management

**Craig B. Lewis**

Vice President of Corporate Services

Craig Lewis began his REC career as a staking technician in 1988 and moved to the accounting department where he launched his management career, becoming REC's Manager of Administrative Services/Controller in 1996. On March 1, 2011 Lewis became Vice President of Corporate Services. In his new REC role, Lewis will be responsible for the strategic direction of the Cooperative's corporate services which include the administrative service areas of accounting and finance and procurement and facilities. Lewis holds a Bachelor of

Science in Business Administration from the University of Richmond, and, while working at the Cooperative, Lewis completed his Bachelor of Liberal Studies, majoring in accounting at the University of Mary Washington. He earned his Certified Treasury Professional Certificate in 1997. Lewis is a Rappahannock United Way Board member and participates in several professional and civic organizations. He and his wife Barbara reside in the Town of Bowling Green.
