OUTDOOR LIGHTING

*The easy way to chase
the shadows away*

Outdoor lighting can illuminate outside recreational activities, extending leisure hours until after sunset. It can help customers locate stores and offices with ease. And, outdoor lighting can help make getting ready for those pre-dawn fishing trips easier too.

Safety, security & convenience

Rappahannock Electric Cooperative's (REC) Outdoor Lighting has much to offer in the way of safety, security and convenience. Sidewalks, steps and curbs, when not properly illuminated, can be safety hazards for children as well as adults. A well lit home is an effective deterrent to intruders. Since REC's Outdoor Lighting turns on at dusk and off at dawn automatically, it has the added value of convenience for anyone returning home after dark or for those who leave before dawn. This also means that you won't waste energy by leaving a light on all day.

Worry free installation & maintenance

REC's Outdoor Lighting is professionally installed in accordance with the National Electrical Safety Code and all lights are maintained by REC.

In response to customer request and various county requirements, REC offers "dark sky friendly" shielding for several residential fixtures. This shielding provides our customers with a means of directing the available lighting towards targets of safety, security and visibility.

From residential walkways to commercial parking lots, REC offers affordable outdoor lighting styles that meet your needs.

Installation and any associated construction costs are not included in the monthly service fee. Installation/construction costs are additional charges that are determined on an individual basis following an on-site inspection by an REC distribution designer. A no obligation quote is provided before any installation is done.

COLONIAL

WATTS/VAPOR	LUMENS*	MONTHLY*
100W-S	8,000	\$8.36
150W-S	14,000	\$9.66

CLOSED BOTTOM

400W-S	45,000	\$21.14
--------	--------	---------

OPEN BOTTOM

100W-S	8,000	\$8.36
150W-S	14,000	\$9.66

SPOT/FLOOD

400W-S	45,000	\$21.14
