

Board of Directors

Thomas T. Grady
Region II

Tom Grady is an environmental engineer with a 35-year career in power generation and utility operations for large industrial plants. In 1998, after a 21-year career with Nalco Chemical Company, Tom opened his own consulting business, Air and Water Engineering, Inc. He retired in 2008 to pursue his interest in golf and community activities. In 2007 Tom won the Virginia State Senior Open Championship and has played in several national championships. He has been a frequent speaker at meetings and conventions and was a member of the National Speakers Association. Tom has a B.S. in Chemical Engineering from the University of South Carolina and a B.A. in Accounting from the University of West Florida. He is a licensed professional engineer in Virginia and Maryland. Tom and his wife, Lydia, live in Fauquier County.
