

Please check the following list of unclaimed Capital Credits to see if your name is included.

If you see your name, or have information on how to locate someone on the list, call 800-552-3904 and speak with a member service representative. With your help, we can locate those listed and deliver their checks. If the member or other person legally entitled to the Capital Credit does not claim his or her money within 120 days from publication of the listing, this patronage capital becomes the sole property of Rappahannock Electric Cooperative.
