Hazard Trees
Removed**

Contribute to Change Today

Through The Power of Change, members can round up their electric bill or donate in other ways.

The funds help to feed hungry families, offer support for local veterans and ensure seniors have the critical care they need, among other important services.

Nonprofits: Apply for Funds

The current application period is now open until Feb. 10.

Want to Make a Difference?

Your small change—less than \$6 per year—makes a huge impact.

2023 The Power of Change Highlights:
